

The Best of Everything

Sea breezes freshen the air as gulls drift and turn above the waves. A sense of classic New England history echoes around every corner. Ancient trees embrace a serene duck pond with its rushing waterfall.

Romantic inns and waterside dining. Marinas and boat slips. Limitless recreational activities. Great accommodations. Shopping galore. And world-class cultural and art centers a few minutes away.

This is Milford, "*the small city with a big heart,*" that brings you the best life has to offer.
